More details on back

ROWDY FOUNDATION

Eradicating Illiteracy Amongst Children

Did you know?

Texas ranks as one of the states with the most serious illiteracy problem (*U.S Department of Education*).

Rickie is genuinely concerned about youth and he wants them to excel. He founded ROWDY in 2003 after he returned from Europe.

Rickie is one of the famed members of Phi Slamma Jamma

Rickie played in the NBA for the Chicago Bulls

Rickie is an active member of the NBA retired players association

What are the events?

The computer olympics allows youth to demonstrate their academic and computer skills in a competitive fun way. The youth compete on computers in 14 educational events or categories.

Such as math, spelling, keyboarding, flag identification, and memory tests.

What do the winners receive?

Gold in each category wins a computer

Silver and Bronze in each category wins a medal

What is the cost?

As an event sponsor there is a one time \$125 fee for up to 25 boys and girls per child care facility.

Space is limited. **Includes lunch, snacks and activities, If you do not want to sponsor an event but would like for your facility to participate please email RowdyFoundation@aol.com*

Who should attend?

Any boy or girl in Grades 1 – 9; Each child care facility may bring a group of as many as 25 boys and girls; There is no limit on the number of chaperones that may attend.

What is the time?

9:00AM – 4:00PM

Where will the Computer Olympics be held?

University of Houston

Alumni Center

Houston Texas 77004

Signing up is so easy.

Pre-Register today. Email RowdyFoundation@aol.com. Put 'COMPUTER' in the subject line.

Looking forward to seeing you there. Rickie Winslow, Founder/President, ROWDY
